### **METROPOLITAIN WURREKER BROKER**

VAEAI is the peak body for Koorie education and training in Victoria, providing policy advice to the State Government. VAEAI is a state-wide community based organisation comprised of 30 Local Aboriginal Education Consultative Groups (LAECGs), across eight regions in Victoria. LAECGs are the primary source of local advice on Koorie education and training matters and participate as equal partners in the planning, development, operation, monitoring and evaluation of education and training programs across Victoria.

VAEAI, in partnership with the Victorian Government, developed the *Wurreker Strategy* in 2000 to enhance pathways to employment for Koorie people through training opportunities provided by TAFE, ACFE and Private Registered Training Organisations (RTOs).

The *Wurreker Strategy* ensures that training is consistent with Koorie community identified needs and that training links to future employment opportunities. *Wurreker* empowers LAECGs and Koorie people at the local, regional and state levels in planning for and endorsement of vocational education and training (VET) to be delivered in their community.
